

Wasteland

The Angels

Lone star talking to myself
Drinkin' on a bottle of Jesus wine
Wasted days, got no choice
My lover left me and took my voice
Internet love line means the most
Nobody ever gets too close
Madman at the wheel tell you how I feel
Broken like a rag doll soldier in the field

Heartbreak trap spring of steel
Going nowhere a wheel inside a wheel
Broke me up without a sound
Hardened and hurt I just shut down

Tomorrow's dreams all laid to waste
The tears I cry have a bitter taste
Madman at the wheel tell you how I feel
Broken like a rag doll soldier in the field

I've been stoned
Crashed and burned
I'm leaving the Wasteland
The tide has turned
I ain't going to the beggars' wall
I ain't gonna be the one to fall
In the Wasteland
I ain't goin' down
Down in the Wasteland

I've been stoned
Crashed and burned
I'm leaving the Wasteland
The tide has turned
I ain't going to the beggars' wall
I ain't gonna be the one to fall
In the Wasteland
I ain't goin' down

In the Wasteland
I've been stoned
Crashed and burned
I'm leaving the Wasteland
The tide has turned
Oh, I ain't going to the beggars' wall
I ain't gonna be the one to fall
In the Wasteland
I ain't goin' down
Down in the Wasteland

In the Wasteland

In the Wasteland

In the Wasteland

In the Wasteland

In the Wasteland
