

Pizza Party Tonight

The Aquadolls

pizza party tonight!
pizza party tonight!
pizza party tonight!
pizza party tonight!

we went for a walk last night to get ourselves a treat
you wanted to get on your pepperoni feast
you were faded overrated
but it was alright
we got 50 large cheese pizzas for the pizza party tonight!

pizza party tonight!
pizza party tonight!
pizza party tonight!
pizza party tonight!

we got to the pizza party and the food was good
we ate every slice of it and we were in the hood
i don't know but we were so fly and so full of cheese
man we got on our cheesey pizza feast

pizza party tonight!
pizza party tonight!
pizza party tonight!
pizza party tonight!
