School's in!

Boys and girls  
Let's get together now  
Boys and girls  
Let's get together now  
Boys and girls  
The lesson for today is love

Boys and girls  
Just listen to me yeah  
Boys and girls  
Oh listen to me yeah  
I'm gonna tell you  
'bout all the things you're dreamin' of

Well if you meet her at a dance  
And you should want to make romance  
Then you just ask to walk her home  
The next day call her on the pho-ho-ho-ho hone!"  
(ah ha ha...)

Boys and girls  
Just gather 'round me now  
Boys and girls  
Come gather 'round me now  
I'm gonna tell you  
'bout all the things you're dreamin' of

Let's say you go out Friday night  
'n you want to hold each other tight  
How can you tell if love is true?  
Your heart will tell you what to do  
Now ain't that easy?  
(yeah, yeah)  
Ain't that easy?  
(Yeah!)  
Ah ah ha...
