

Everyday

The Avalanches

Giving it everything
Giving it away
Everything's alright, oh yeah
Everyday
Such an easy way to get around
I was dreaming like a fool
High school love and everything's alright, yeah
Everything's alright, oh yeah, such an easy way to get around
and it's alright
I was dreaming like a fool
High school love and everything's alright, yeah
I look into those eyes, giving it away and it's alright
such an easy way to get around
Everyday,
Everyday,
I was dreaming like a fool,
Everyday,
I was dreaming like a fool...
