

Livin' Underwater (Is Somethin' Wild)

The Avalanches

Living underwater is something wild

[?]

Living underwater is something wild

Living underwater is something wild

Water is something wild

Living underwater is something wild

Everything is real, you know?

Everything

(There is magic in the splendor and desire to surrender

There is magic in the splendor

There is magic in the splendor

There is magic in the splendor and desire to surrender

There is magic in the splendor

There is magic in the splendor

There is magic in the splendor and desire to surrender)

Everything is real, keep your eyes wide open
