

## Hate Street Dialogue

The Avener

Woman please be gone  
You've stayed here much too long  
Don't you wish that you could cry?  
Don't you wish I would die?

Seamy, seesaw kids  
Childwoman on the skids  
The dust will choke you blind  
The lust will choke your mind

I kiss the floor, one kick no more  
The pig and hose have set me free  
I've tasted hate street's hanging tree  
I've tasted hate street's hanging tree

I kiss the floor, one kick no more  
The pig and hose have set me free  
I've tasted hate street's hanging tree  
I've tasted hate street's hanging tree

I kiss the floor, one kick no more  
The pig and hose have set me free  
I've tasted hate street's hanging tree  
I've tasted hate street's hanging tree

I kiss the floor, one kick no more  
The pig and hose have set me free  
I've tasted hate street's hanging tree  
I've tasted hate street's hanging tree

I've tasted hate street's hanging tree
