

## It's Raining Today

The Avett Brothers

Its raining today, let's stay in our room  
Be patient babe, the clouds will break soon  
But I must confess I'm glad if they stay  
I don't want to leave  
Its raining today  
Here and then gone  
Invisible dawn

All of the edges are frayed  
No warmth on my shoulders  
No breeze to carry these old worries away  
My hat's on the porch, its heavy and soaked  
I'm on the steps and I don't have a coat  
What do I do, what can I say  
Its raining today

The house framing crew all can sleep in  
The brick masons too  
The boss wants it done but he'll have to wait  
I can't go to work  
Its raining today  
Its raining today  
What does it mean

Probably not much of anything  
Still I can't resist to let my thoughts stray  
What harm will it do  
Its raining today  
Here and then gone  
Invisible dawn

All of the edges are frayed  
No warmth on my shoulders  
No breeze to carry these old worries away  
My hat's on the porch, its heavy and soaked  
I'm on the steps and I don't have a coat  
What do I do, what can I say  
Its raining
