

# Vanity

The Avett Brothers

I've got something to say  
But it's all vanity, it's all vanity  
I found a tune I could play  
But it's all vanity, it's all vanity

Call off the guards  
Call off the search  
Their heads are chopped off  
They're running in circles  
They're running in circles

I have a plan for the day  
But it's all vanity, it's all vanity  
I've got love pouring out of my veins  
But it's all vanity, it's all vanity

Call off the guards  
Call off the search  
Their heads are chopped off  
They're running in circles  
They're running in circles  
Running in circles  
They're running in circles

I've got something to say  
But it's all vanity, it's all vanity  
I've got love pouring out of my veins  
But it's all vanity, it's all vanity
