Quote: Experience is the comb that nature gives us
when we are bald (Belgian Proverb)

SONG LYRICS:

A lot of folks do well enough leavin' well enough alone

But that was never true for me and you

Livin' like the characters in "Like a Rolling Stone"

Confirming things that we already knew

You were young and pretty - Me, well, I was young

Leastways young enough not to need a reason

I was for the memories and you were for the fun

And we were both just fillin' up the season

Pre Chorus:

With no dreams and no plans and no schemes

Somehow here we are again

Chorus:

Na.....na na na na na

We're ending up back where we came from

Na.....na na na na na.....

We had beer and "Jack" and Kerouak and weekends on the fringe

And lots of time to think about tomorrow

But it seems our little bivouac was more than just a binge

Sometimes you end up keeping what you borrow

Repeat Pre-Chorus

Repeat Chorus

END
