

# Do It (Let Me See You Shake)

The Bar-Kays

Well

Let me see you do it now  
Shake, shake, shake

Do it, do it  
Do it, do it

My body screams and hollers  
Every time I see you shake  
The sexy way that you wiggle  
Is more than my heart could take

Watching you shake your body  
Makes me wanna get next to it  
'Cause I'm curious to know if  
The disco floor is the only place  
That you can do it

So do it for me, baby  
(Shake it on down)  
Just do it for me, baby  
(Don't stop now)

Do it for me, baby  
(Shake it on down)  
Just do it for me, baby  
(Don't stop now)

Do it, do it  
Do it, do it

Ooh, all the fellas talk about you  
And we all feel the same  
The freaky motion of your body  
Is enough to drive a man insane

This urge I got to shake it with you  
Is too much to resist  
'Cause I'm curious to know if  
The disco floor is the only place  
That you can twist it

So do it for me, baby  
(Shake it on down)  
Let me see you shake it  
(Don't stop now)

Just do it for me, baby  
(Shake it on down)  
Come on and shake it  
Till you break it  
(Don't stop now)

Do it, move it, move it  
Shake your body now  
Do it, keep it moving  
Just do it, move it, move it

Shake your body now  
Do it, you can do it

Just do it, move it, move it  
Shake your body now  
Do it, keep it moving  
Just do it, move it, move it  
Shake your body now  
Do it, you can do it

Let me see you shake

Do it, move it, move it  
Shake your body now  
Do it, keep it moving  
Just do it, move it, move it  
Shake your body now
