

# Running In And Out Of My Life

The Bar-Kays

Running In And Out Of My Life

One Day You're Here, Next Day You're Gone,  
When You Gonna Stop Running In And Out Of My Life,  
One Day You're Near Then I'm Left Alone  
When You Gonna Stop Running In And Out Of My Life,  
One Day You're Here, Next Day You're Gone,  
When You Gonna Stop Running In And Out Of My Life,  
One Day You're Near Then I'm Left Alone  
When You Gonna Stop Running In And Out Of My Life,  
Oh Girl You Better Watch What You Do  
Before I Find Somebody New

I Must Admit That I'm Just A Man  
And It's So Much I Can Stand  
All I Want To Do Is Love You  
But You Keep Slipping Out Of My Hands  
I Can Show You A Side Of Love  
That You Never Felt Before  
But How Can I Keep You Happy  
When You Keep Walking Out The Door

(Chorus)

You Keep Me Pondering, You Keep Me Wondering  
When You Gonna Stop Running In And Out Of My Life  
I Love You So But I Need To Know,  
When You Gonna Stop Running In And Out Of My Life  
You Keep Me Pondering, You Keep Me Wondering  
When You Gonna Stop Running In And Out Of My Life  
I Love You So But I Need To Know  
When You Gonna Stop Running In And Out Of My Life  
Oh Girl You Better Watch What You Do  
Before I Find Somebody New

If You Think You Are Gonna Treat Me  
Like The Fellas In The Past  
Then Here Am I To Tell You Woman  
That This Thing Just Won't Last  
I Know You Really Care For Me  
But Not Like I Care For You  
We Can Stay In Love  
But With Faith And Understanding  
We Can Love Like Lovers Do

(Repeat Chorus)
