

No matter how hard I try
You keep pushing me aside
And I can't break through
There's no talking to you
It's so sad, that you're leaving
It takes time to believe it
But after all is said and done
You're gonna be the lonely one
(Whoahoa)
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
What am I supposed to do
Oh, I sit around and wait for you
Well, I can't do that
And there's no turning back
I need time to move on
I need love to feel strong
'Cause I have time to think it through
And maybe i'm too good for you
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
Well, I know that I get through this (Ooh la la la)
'Cause I know that I am strong (Ooh la la la)
Well, I don't need you anymore (Ooh la la la)
Well, I don't need you anymore (Ooh la la la)
Well, I don't need you anymore (Ooh la la la)
Well, I don't need you anymore (Ooh la la la)
Need you anymore
Do you believe in life after love? (Whoahoaha)
I can feel something inside me say
I really don't think you're strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
