

# Never Ever

## The Baseballs

My head's spinning  
Girl, I'm in a daze  
I feel so isolated  
Don't wanna communicate

I'll take a shower, I will scour  
I will rub  
To find peace of mind  
The happy mind I once owned, yeah

Flexing vocabulary runs right through me  
The alphabet runs right from A to Z  
Conversations, hesitations in my mind  
You got my conscience asking questions that I can't find

I'm not crazy  
I'm sure I ain't done nothing wrong, no  
I'm just waiting  
'Cause I heard that this feeling  
won't last that long

Never ever have I ever felt so low  
When you gonna take me out of this black hole?  
Never ever have I ever felt so sad  
The way I'm feeling yeah, you got me feeling really bad

Never ever have I had to find  
I've had to dig away to find my own peace of mind  
I've Never ever had my conscience to fight  
The way I'm feeling, yeah, I just don't feel righ

I'll keep searching  
Deep within my soul  
For all the answers  
Don't wanna hurt no more

I need peace, got to feel at ease  
Need to be.  
Free from pain - go insane  
My heart aches, yeah

Sometimes vocabulary runs through my head  
The alphabet runs right from A to Z  
Conversations, hesitations in my mind  
You got my conscience asking questions that I can't find

I'm not crazy,  
I'm sure I ain't done nothing wrong  
And now I'm just waiting  
'Cause I heard that this feeling won't last that long

Never ever have I ever felt so low  
When ya gonna take me out of this black hole?  
Never ever have I ever felt so sad  
The way I'm feeling yeah, you got me feeling really bad

Never ever have I had to find

I've had to dig away to find my own peace of mind  
I've Never ever had my conscience to fight  
The way I'm feeling, yeah, I just don't feel right
