

No One

The Baseballs

I just want you close
Where you can stay forever
You can be sure
That it will only get better

You and me together
Through the days and nights
I don't worry 'cause
Everything's gonna be alright

People keep talking
They can say what they like
But all I know is everything's gonna be alright

No one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you

When the rain is pouring down
And my heart is hurting
You will always be around
This I know for certain

You and me together
Through the days and nights
I don't worry 'cause
Everything's gonna be alright

People keep talking
They can say what they like
But all I know is everything's gonna be alright

No one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you
You you
Can get in the way of what I feel for you

Some people search the world
Something like what we have
I know that people'll try
Divided something real
So till the end of time
I'm telling you there is
(No no one)
No one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you

No no no one
No no no one
Said no no no one

Said no no one

I said no one
yeah yeah yeah

No no no one
yeah yeah
Said no no no one
Can get in the way of what I feel for you
