

Overload

The Baseballs

A strange fear I ain't felt for years
This girl's coming and I'm close to tears
I can't let go of you now
Imagination's playing round for free
And in my world I take her out for tea
Oh my God, can't say no
Skipping school, go walk for e'eir
I just had to get out of bed
I'm on overload in my head

Train comes I don't know its destination
It's a one way ticket to a mad man's situation
Train comes I don't know its destination
It's a one way ticket to a mad man's situation

Life is a dream, time does come true
And in my sleep, I think of you
Feather bed by myself - Basically probability
Says that fate's come side with me
It's been so long on my shelf

Train comes I don't know its destination...

The tension is incredible
Girl I'm in charge - You know how I feel for you
Will you stop or will you just keep goin'
Please don't say no
The tension is incredible
Girl I'm in charge - You know how I feel for you
Will you stop or will you just keep goin'
Please don't say no (3x)

Train comes I don't know its destination...
