

# Broken Picture

The Bates

Broken picture

Feeling all alone  
waiting for a ring on the telephon  
and all the bottles are empty now  
and your picture is broken!

I won't get up anymore  
my place is here down on the floor  
No I won't get up anymore  
and your picture is broken.  
(Instrumental)

So much time to lose  
nothing left to choose  
I like to change it  
yes I do  
BUT YOUR PICTURE IS BROKEN

I won't get up anymore  
my place is here down on the floor  
No I won't get up anymore  
and your picture is broken
