Sweet Memory

The Belle Stars

Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory

Is there a reason to ask one question?
Oh why, oh why you still love me
And is there a reason for my answer
That I love you to but I need to be free
Many times I tried, tried explaining
The way I feel, you know I've really tried
Just sit it up, up all night talking
Don't you think that the well has run dry

Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
A live together seemed too precious
Something no-one else could be part of
And a live apart was just confusion
Filled with jealousy and hate instead of love
The world seems full, full of lonely people
??? Love and meaning???, without ever saying goodbye
And then it's me who has to be so careful
Let it die, let it die and let me cry
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory

It's killing me

My??? fig??? is still, still keeps haunting me
I know it's saver to let our love die
It's with a smile, sweet of your memory
Please leave me, leave me now and let me cry
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory

I feel??? blue, for the scar of suffering
Put an end to this misery, it's killing me
Don't keep stabbing his heart
It's already bleeding
Killer flame that burns deep inside of me
My??? fig??? is still, still keeps haunting me
I know it's saver to let our love die
It's with a smile, sweet of your memory
Please leave me, leave me now and let me cry
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory (It's just the way you make me feel the way I do)

```
Just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory (It's strange to see a memory, my live belongs to this memory)
Just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory
Just a memory, just a sweet, sweet memory (Memory)
Just a memory, just a sweet, sweet memory (Memory)
Just a memory, just a sweet, sweet memory (Memory)
```
