

# Blow My Mind

The Benjamin Gate

Water running in my desert land  
Images falling into blinded eyes  
Ice cooling on my fevered brow  
Fire blazing on my coldest night

You are good, You are fine  
You blow my mind  
I see You and I know

You are good, You are fine  
You blow my mind  
I see You and I know

Joy breaking through my tightened fist  
Tongues floating from my silent lips  
Air rushing to my crushing lungs  
Visions rising in my barren mind

You are good, You are fine  
You blow my mind  
I see You and I know

You are good, You are fine  
You blow my mind  
I see You and I know
