

Out-Side

The Beta Band

Cried so loud the song today
The devil knows I couldn't get far
Went to the beach but I couldn't find the path
Tried to catch a train but it wasn't where I went
Wanted to catch a plane but it wasn't where I flew
All the time I flew [Incomprehensible] tryin' to get back to you

I love your way
I love your way

Wished I had the heart to presume
Or take it out-side
Take it out-side just to catch a little rain
Catch a little rain just to pour a little ride

(I'm a-dreaming, I'm a-dreaming, I'm a-dreaming, I'm a-dreaming)
I love your way
(I'm a-dreaming, I'm a-dreaming, I'm a-dreaming, I'm a-dreaming of you)
I love your way

And it seems so very simple
That I don't think that I can tell you
And the knocking on my cranium
Reminds me of a travel drum
Makes it sound a simple feeling
Can we go around a-dreaming

(I'm a-dreaming, I'm a-dreaming, I'm a-dreaming, I'm a-dreaming)
I love your way
(I'm a-dreaming, I'm a-dreaming, I'm a-dreaming, I'm a-dreaming)
I love your way

(I'm a-dreaming, I'm a-dreaming, I'm a-dreaming, I'm a-dreaming)
I love your way
(I'm a-dreaming, I'm a-dreaming, I'm a-dreaming, I'm a-dreaming)
I love your way

I love your way
I love your way
