

Somebody's Watching

The Birthday Party

I hope they don't kiss and tell
Somebody's watching me
But I can't see them very well
I use the supernatural, I use mother nature as well (bop bop)

Somebody's following me
Into the greenhouse
somebody's watching me
Through the glass
I use medicine and I use as well (bop bop)

Sanctuary, oh sanctuary
It's never felt this good to me
oh release, oh release-uh
I'm hanging around like the mona lisa
Somebody's watching me
Somebody's watching me
Somebody's watching me
Somebody's watching me
Somebody's watching me
Everybody's watching me

I use mirrors, then I fix my tie for a while (bop bop)
