The Black Angels

Rollin' fast down I-35
Supersonic overdrive
Rollin' fast down I-35
Through the day and past the night

Rollin' fast down I-45
I get ahead, goin' 109
Rollin' fast down I-45
Bendin' time, feelin' fine

Entrance Song

Rollin' fast down 75
Empty road, moonlit sky
Rollin' fast down 75
Cuttin' through like a knife

Rollin' fast down I-35
Polarized into the light
Rollin' fast down I-35
Interstellar hyperdrive
