

## Haunting at 1300 McKinley

The Black Angels

I don't stay after 6  
Oh no, it's way to dark  
"You're frightened," she said  
"No one can hear us at all"

There was this thought I was sane  
Until I met that red dame

"Don't be worried,"  
Is all she said  
"Oh baby you whine  
Yeah, you cry all the time"

The bed spread is green  
You talk, dress, and think  
We leave before it gets dark  
Walk steady with you in arms  
So don't be around me,  
Yeah, I'm gone you see

"In the night I roam  
Hey, hey, hey"  
I guess I'll pack my things

"In the night I roam  
Hey, hey, hey"  
"In the night I roam  
Hey, hey, hey"  
"In the night I roam  
Hey, hey, hey"
