

We Never Wondered Why

The Black Box Revelation

People passing by
Alright, alright
We never wondered why
We never wondered

Hey, people passing by
Living another life
Working hard to play their role
Yeah yeah yeah yeah yeah

Hey, hitting the city with a mask on
Waiting to take it off at home
Reveal the person that they really are
Na na na na na na na na

People passing by
Alright, alright
We never wondered why
We never wondered

Hey, did you ever play a role?
Not acting like you really are
Being scared they'll get to know you
No no no no no no

People passing by
Alright alright
We never wondered why
We never wondered
