

# Jealous Again

The Black Crowes

Cheat the odds that made you  
Brave to try to gamble at times  
Well I feel like dirty laundry  
Sending sickness on down the line  
Tell you why, 'cause I'm

Jealous, jealous again  
Thought it time I let you in  
Yeah, I'm jealous, jealous again  
Got no time, baby

Always drunk on Sunday  
Try'n to feel like I'm at home  
Smell the gasoline burning  
Boys out feeling nervous and cold

Jealous, jealous again  
Thought it time I let you in  
Yeah, I'm jealous, jealous again  
Got no time, baby

Stop, understand me  
I ain't afraid of losing face  
Stop, understand me  
I ain't afraid of ever losing faith in you

Never felt like smiling  
Sugar want to' kill me yet  
Find me loose lipped and laughing  
Singing songs ain't got no regrets

Jealous, jealous again  
Thought it time I let you in  
Yeah, I'm jealous, jealous again  
Got no time, baby

Stop, understand me  
I ain't afraid of losing face  
Stop, understand me  
I ain't afraid of ever losing faith in you

Don't you think I want to  
Don't you think I would  
Don't you think I'd tell you baby  
If I only could  
Am I acting crazy  
Am I just too proud  
Am I just plain lazy  
Am I, Am I, Am I, ever

Jealous, jealous again  
Thought it time I let you in  
Yeah, I'm jealous, jealous again  
Got no time, baby
