## **Swinging Exit Pleasure**

**The Blackmail** 

senseless into pleasure
nothing forever
the sooner you fall
you know who you are
I had a spleen within
a case of pure pleasure
it's going too far
going too far

can't escape from where I've been
the deeper I fall into the exit swings
can't escape from where I've been
desperatly seeking for a brandnew start

i'm shaving off my skin just to feel better i'm breaking the waves to get through the day perception is a talent i'll never wanted I'll fade into calm to save me from harm

can't escape from where I've been
the deeper I fall into the exit swings
can't escape from where I've been
desperatly seeking for a way to spin

and I'm falling free from sin future's starving in my hands must be reduced to what I've been and I start all over again
