## The Blood

The possessed of satan are coming for church desecration  
they are baptized in blood, pray to the goatheaded god  
feast inside the pentagram, infernal blood flows in their veins  
when the kingdom has come, christianity has to die a million of  
deaths

Unholy crosses, evil church  
hail satan, lord of life  
Blood, Blood, Blood

Faithful in god - let him rot  
antichrists - death to christian life  
here we are - pray for satan`s war  
drinking blood - don`t believe in god

Faithful in god - let him rot  
antichrists - death to christian life
