

## Morpheus

## The Blood

I enter the gate  
of MORPHEUS land  
I cannot discern  
what`s real or a dream

find the way to live  
to take and to give  
you loose all you have  
while visiting MORPHEUS

horrible creatures - behind me  
morbid tales - become true

you reached me, you got me, I don`t knew - MORPHEUS  
in my sleep, in my dream, in my life - MORPHEUS  
my escape, no chance to hide - MORPHEUS
