

Romeo In Clover

The Bolshoi

Call girls come in all shapes and sizes
catch one big, I'll kill her very small.
You know.

Snakes and ladders, big surprises,
don't look down the waterfall.
You know.

Romeo, it's over.
Writhing in the clover.
Got his lock around her.
Poor young girl, you're dead, you know.

Take your time, it's only pleasure.
You know you don't want to look a fool.
Do you?

In this house, you meet your measure
. Mother gestures by the swimming pool.
You know.

Romeo, it's over.
Writhing in the clover.
Got his lock around her.
Poor young girl, you're dead, you know.

Romeo, it's over.
Writhing in the clover.
Got his lock around her.
Poor young girl...

Romeo, it's over.
Romeo, it's over.
Romeo, it's over.
Romeo, it's over.
Romeo, Romeo, Romeo, Romeo, Romeo...

Call girls come in all shapes and sizes
catch one big, I'll kill her very small.
You know.

Don't you want the glittering prizes
See them sparkle by the swimming pool
You know.

Romeo, it's over.
Writhing in the clover.
Said he knew the story
Said that he was sorry

Romeo, it's over.
Writhing in the clover.
Got his lock around her.
Poor young girl, you're dead, you know.
