

# Under Their Thumb Is Under My Thumb

The Boomtown Rats

Under their thumb  
Kicked and beaten like an angry rabid dog  
Under their thumb  
Squashed and squeezed like a dried-up, rinsed out worm

You can't do a thing  
Best lie still 'til you wait your turn  
Can't do a thing  
Your day will come  
You're under their thumb

Under their thumb  
And now you feel you're not alone  
Under their thumb  
And now you feel the pressure zone

You can't do a thing  
Revenge is sweet but it's sugar free  
Can't do a thing  
Your day will come  
Now you're under their thumb
