The BossHoss

no matter where you are, you're with me  
no matter how you feel, i'll feel the same  
you can count on me, i'll care for you  
i always be so ...

close to you and you're gonna be  
so close to me no matter  
how far you're away from me  
you'll be right by my side  
close to me,  
so close to me, so close to me  
so close to me, so close to me

i'll hold you in my arms  
won't let you slip away  
you'll just think of me and i will be  
running to you no matter where you are  
and endlessly i'm gonna be so
