

Don't Gimme That

The BossHoss

Ah don't gimme that (Don't gimme that)
Don't gimme that (Don't gimme that)
Don't gimme that

Take my body, take my soul
But don't take my rock n roll
Don't you dare, I'll ~~?~~
Hold your tongue but don't gimme that

Take my money, take my car
Don't you take my guitar
It won't play with you
Hoochie Koo, screw you

Don't gimme that
Oh baby you can take everything
It don't mean a thing
Anything to me
Don't gimme that
But don't control my rock n roll
No, no, uh, uh, uh, uh, uh, uh
Shut your head
Hey baby don't gimme that

Ah don't gimme that

Well give me double trouble, heartache and pain
I'll take the blame but don't gimme that (But don't
gimme that)
Lock me up, hold me in chain
Ain't too bad but don't gimme that (Don't gimme that)

Do whatever you wanna do to me
You can have still my spray
You're barking up the wrong tree

Don't gimme that
Oh baby you can take everything
It don't mean a thing
Anything to me
Don't gimme that
But don't control my rock n roll
No, no, uh, uh, uh, uh, uh, uh
Shut your head
Hey baby don't gimme that

Don't gimme that

Don't gimme that (No, no)
Let me breathe (Don't gimme that)
I want another ~~?~~
I won't give up my dreams
You cannot break my wings
Baby, I'm a survivor
So don't gimme that

Don't gimme that

Don't gimme that
Oh baby you can take everything
It don't mean a thing
Anything to me
Don't gimme that
But don't control my rock n roll
No, no, uh, uh, uh, uh, uh, uh
Shut your head
Hey baby don't gimme that

Don't gimme that
Don't gimme that

Don't gimme that
