

I Keep On Dancing

The BossHoss

Hey giddy up, good times! -
'Cause I'm Jiggin' my dancing line,
I like it extreme and I need adrenaline.

Well, folks say I'm riuts
but I keep on, sh-sh-shaking my butt
across town, I'm dancing in the sundown.

Well my boot-heel's hot, my appeal is strong,
I'm dancing to my favorite song, HEY

I keep on dancing, oh yeah
passing people stop and stare
I keep on dancing, oh yeah
I'm advancing, I'm dancing

Hey if there's a problem,
it's not my problem,
I'm letting out the freak in me.

Well, I feel like a billionaire
and I keep on skakin' my derrière
across the city, down to the nitty-gritty

Well I'm duded up sharp
and I can't go wrong,
I'm dancing to my favorite song, HEY
