

# Mary Marry Me

The BossHoss

Oh Mary, do you still remember me  
The Mary, you know I'm in this band  
Oh Mary, I still remember you  
You know after the show we were holding hands  
After seven long days  
Mary I found your number in my guitar case  
Now I hope it's not too late  
Marry 'cause I want more than a date

Oh Mary, Mary marry me  
Me Mary 'cause I'm so in love with you  
Oh Mary, I never get enough  
It's gonna be a burning love yeah, a burning love

Oh Mary, oh you're so neat  
I can feel my temperatur rise  
An angel from your head down to your feet  
The deepblue sea in your eyes  
Well I'm not telling any lies  
So how come you're ready put the phone down twice  
I keep on calling till a year  
Oh Mary, oh Mary, oh don't you, don't you be afraid

I said:  
Mary, Mary marry me  
Oh Mary 'cause I'm so in love with you  
Alle Oh Mary, I never get enough
