

Whatever

The BossHoss

Tell me do you know, tell me can you name it
What's the difference between a boy and a girl's mind?
And maybe where they match together
Pretty good?

Tell me scientist, physician your suspicion
Can you please clear up this mystery
And go down in history, sounds pretty cool!

I know, I'm gonna tell you all
It was easy to find out for me
Simple, clear, logical, as can be
Baby listen: we are complete opposition

'Cause I am like "Wow, thas's so cool!"
And you are like: "I don't know."
And when I'm like: "Oh, yeah, man!"
Then you are like: "I don't think so."
And when I'm totaly like: "Yeah, great!"
Then you are like: "Give me a break!"
And when I'm like: "Best ever!"
Then you are: "Hey, whatever, whatever..."

Tell me do you know, can you explain why
Girls are tough and treat the boys rough
And boys just can't get enough of the tough

Tell me me wise man, genius, hoodoo-man
Who put this spell on you and me?
And gave birth to biology, and chemistry?

I know, why it's all just the way it is
'Cause it's super-cool, awesome, logical, as can be
Baby listen: we're complete opposition

'Cause I am like "Wow, thas's so cool!"
And you are like: "I don't know."
And when I'm like: "Oh, yeah, man!"
Then you are like: "I don't think so."
And when I'm totaly like: "Yeah, great!"
Then you are like: "Give me a break!"
And when I'm like: "Best ever!"
Then you are: "Hey, whatever!"

And we will never get closer together
But the attraction will last forever, forever, forever
Like a river runs to the sea
It's like a magnet between you and me
Baby face it: we're the complete opposite

'Cause I am like "Wow, thas's so cool!"
And you are like: "I don't know."
And when I'm like: "Oh, yeah, man!"
Then you are like: "I don't think so."
And when I'm totaly like: "Yeah, great!"
Then you are like: "Give me a break!"
And when I'm like: "Best ever!"

Then you are: "Hey, whatever!"

I keep saying "This is so cool!"

And you are like: "I don't know."

And when I'm like: "Oh, yeah, man!"

Then you are like: "I don't think so."

And when I'm totaly like: "Yeah, great!"

Then you are like: "Give me a break!"

And when I'm like: "Best ever!"

Then you are: "Hey, whatever!"

Whatever - whatever
