

Yes Or No

The BossHoss

Never gonna give up - until you tell me to,
Never gonna stop - unless you want me to.

I'm lover and a fighter, always took what I can.
I always had what I wanted, stardust in my hands
But if you tell, tell me to stop - I'll give up, I'll give up.

You're the sea I would dive
You're ride I would drive
You're my rain, you're my sun
You're my fire, make me burn!
Tell me stop or go,
Tell me yes or no.

Never gonna let go - unless you tell me so,
and maybe I will know if you tell me how.

I'm a player and a winner. I had it all under control.
Now, I'm losing my heart, mind, body and soul
So tell me: am I pushing my luck?
Then I'm fucked, then I'm fucked.

You're the sea I would dive
You're ride I would drive
You're my rain, you're my sun
You're my fire, make me burn!
Tell me stop or go,
Tell me yes or no.
