

Infinite Wisdom Tooth / My Last Night in Bed With You

The Brian Jonestown Massacre

You might [?] arise, you could my sudden hair
You could me took down, you could me took down, down
You put lucky world
I could [?], I just look at fucking world
You could me took down, you could me took down, down
And your world is upset 'cause everyone is [?]

That you holding your hands, [?] your minds
All lies you pretend, all lies you say that you love, so that y
ou lie
So you say that you lie

You [?] world, back to nothing at all
I'm going through your head, I'm making down on you, I'm going
[?]
And back to your smile, you're meaning nothing at all
You're meaning nothing at all, you're meaning
