

Jesus

The Brian Jonestown Massacre

I turn to Jesus when I've lost of my friends
& the good times all ended with my money I standed
I gave you my love but you tore me to peices

Have mercy please, Jesus
Have mercy please, Jesus
On me

This is my connection to second resserrection

Of person conspection
I lost my direction
I gave you true love but you told me to face it

Have mercy please, Jesus
I'm begging you, Jesus
For me
