

That boy who made you low  
That boy don't even know  
The boy caused you pain  
That boys got shit for brains

Had to let you know  
I really don't even  
Know what I know  
Your my sunshine  
Your my sunshine

Sad girl, don't lose your faith  
Your tears are pretty dimonds  
I'll kiss them off your face  
I love to see you smiling

Had to let you know  
I had to let you know  
Your my sunshine

Just when you thought  
That there couldn't be more  
I can turn out the lights  
And I'll show you it all  
I can take you to heaven before the sun comes up  
It's the way that you smile  
When your talking to me  
When I lost all my faith  
You just made me believe  
And I'll tell you all about it  
Yeah  
Get up closer to me

Cause I feel like I've been spinning round and round.
