## The Bunny the Bear

Where's it begin, now that you're in?  
Where is my soul? Wooooaahh  
Have I reached the end?  
Is this in your plan? Swallow the world whole...

Where's it begin, now that you're in?  
Where is my soul? (God only knows) Wooooaahh  
Have I reached the end?  
Is this in your plan? Swallow the world whole (And they'll never know)

Hand me the light  
Hand me the light  
Hand me the light  
And I'll burn down this whole city  
Hand me the light  
Hand me the light  
Hand me the light  
And I'll bring my wrath to city streets.  
Let it weigh heavy on my heart.

(Sleep.) Please let me sleep.  
(Inclined to deceive.) Murder.  
(Lurking in the alley.) It's seen as complete, bred to defeat.  
(My soul...)  
(My soul...)  
(My soul...)
