

C'est Pas Si Loin

The Bunny the Bear

Don't give up on me
(She writes the words, exposing the truth)
(The past is just a cause and you're gone)
Don't give up on me
(She writes the words, exposing the truth)
(The past is just a cause and you're gone)

Id love to
Just to fall asleep with
(Nothing else) but your hold on me, it's just a train wreck burning. (it's just a train wreck burning)
(Nothing else) but your hold on me, it's just a train wreck burning. (it's just a train wreck burning)
(Nothing left) but your hold, loosening, (and I see our time is running out)

Standing on your lawn, it's been a month now since you saw me
Ripping out my lungs to prove that I'm still breathing

Just let go of me. (You're never listening)
Speak your silent needs. (And at the break of dawn I'm coughing blood)
Hold your grudge on me. (You're never listening.)
Just let go and see... (that at the break of dawn I'm coughing blood)

Staring at these walls, hoping you'll take the time to call me
Counting down the clock, you know that its not easy

Id love to
Just to fall asleep with
(Nothing else) but your hold on me, it's just a train wreck burning. (it's just a train wreck burning)
(Nothing else) but your hold on me, it's just a train wreck burning. (it's just a train wreck burning)
(Nothing left) but your hold, loosening, (and I see our time is running out)

Soon you will see (that what is gone is never sacrificed)
Still, I'm left dreaming (that this time we lost rebuilds itself)
Soon you will see (that what is gone is never sacrificed)
Still, I'm left dreaming (that this time we lost rebuilds itself)

I'd love to
Just to fall asleep with...
