

Rabbit Hole

The Bunny the Bear

My rabbit hole
My rabbit hole
My rabbit hole

(My rabbit hole)
(My rabbit hole)
(My rabbit hole)

I found I lost my own reflection in the mirror, unrecognizable
These words I try to speak but nothing's coming out
Just booze and empty shouts
Is this the shit we teach our children growing up?
To never ask for help?
Why would I want I want my son to be like me?
I'll just keep lying to myself

(My rabbit hole)
I'll drown my demons out
(My rabbit hole)
I'll drown my demons out
(My rabbit hole)
I'll drown my demons out
(My rabbit hole)
