

I Still Believe (great Design)

The Call

I been in a cave
For forty days
With only a spark
To light my way
I wanna give out
I wanna give in
This is our crime
This is our sin

But I still believe
I still believe
Through the shame
And the grief
Through the lies
Through the storms
Through the cries
And through the wars
Oh, I still believe

Flat on my back
Out at sea
Hopin' these waves
Don't cover me
Lord, I'm turned and tossed
Upon the waves
When the darkness comes
I feel the grave

But I still believe
I still believe
Through the cold
And the heat
Through the rain
Through the tears
Through the crowds
And through the cheers
Oh, I still believe

I'll march this road
I'll climb this hill
Down on my knees if I have to
I'll take my place
Up on this stage
I'll wait 'til the end of time
for you like everybody else

I'm out on my own
Walkin' the streets
Look at the faces
That I meet
I feel like I Like I want to go home
What do I feel
What do I know

But I still believe
I still believe
Through the shame

And through the grief
Through the heartache
Through the tears
Through the waiting
Through the years

For people like us
In places like this
We need all the hope
That we can get
Oh, I still believe
