The Cars

Hey there stand in line
Read the times check your dimes
Ensign what a wind keep on trying
Anywhere sublime paradigm oh oh

You go back in time, fix it good fit to fine
You go back in time, just to say you decline

Free to step outside your darkworld
Free to pound the lost streets
Free what a strain it is to stay curled
Free to turn up all the heat

Hey now plug it in pull a grin genuine
Tremble fast on the verge you're the last
Avenue accelerator permacast oh oh

You go back in time, fix it good fit to fine
You go back in time, just to say you decline

Free to step outside your darkworld
Free to pound the lost streets
Free what a strain it is to stay curled
Free to join the obsolete

Free free free free

You go back in time, fix it good fit to fine
You go back in time, just to say you decline

Free to step outside your darkworld
Free to pound the lost streets
Free what a strain it is to stay curled
Free to turn up all the heat

Free to step outside your darkworld
Free to pound the lost streets
Free what a strain it is to stay curled
Free to turn up all the heat
