

On My Way

The Cat Empire

Don't send me down the hole
Don't send me down the hole
Don't send me down the hole
Which way will it go go?

You never never know
You never never know
You never know the right way
Till you've been wrong, no

And if you want to shine
As your February clears
And would your March just dissappear?

You hear it on the left
You hear it on the left
You hear it on the left left left
And your right right

You're missing in the west
You're missing in the west
You're missing in the west
You follow the black kite

And even in your dreams
There are lights that can't be seen
And you're lost in where you've been

Well I'm on my way
To where I won't look back
I heard you say with dismay
That we're living on the tracks
I hear the train
Whoa oh oh oh oh oh oh
Whoa oh oh oh oh oh oh

You're living in a lie
You're living in a lie
You're living in a lie
Why do you deny?

We're swimming in the sky
We're swimming in the sky
We're swimming in the sky
So alone so high, high

And if you want to shine
As the sea looks to the stars
And well you're here but very far

And I'm on my way
To where I won't look back
I heard you say with dismay
That we're living on the tracks
I hear the train
Whoa oh oh oh oh oh oh
Whoa oh oh oh oh oh oh

As your February clears
would your March just dissappear?

Well I'm on my way
To where I won't look back
I heard you say with dismay
That we're living on the tracks
I hear the train
On my way
To where I won't look back
I heard you say with distain
That we're living on the tracks
I hear the train
Whoa oh oh oh oh oh oh
Whoa oh oh oh oh oh oh

And I'm on my way
On my way, whoa
And I'm on my way, whoa
And I hear the train
I hear the train, whoa
And I hear the train
We're on the tracks whoa

Whoa oh oh oh oh oh oh
