

I Love You, I Do

The Cats

Hello pretty girl looking fine
Let me love you feel your lips on mine
I hope you won't send me away
Can I make you believe when I say

I love you, I love you I do
I love you, I love you, I do

Now you're sitting close to me
Put your head on my shoulder, look at me
I cannot believe that it's true
Your love makes me strong, I'll be true to you

I love you, I love you, I do
I love you, I love you, I do

Now if the night's getting through
And the stars gonna shine
I feel like the world could be mine
Now when I'm holding you tight
I'm feeling alright
I wish we could stay all the night

I love you. I love you, I do
I love you, I love you, I do

Hello pretty girl looking fine
Let me feel your lips on mine
I hope you won't send me away
Can I make you believe when I stay

I love you, I love you, I do
I love you, I love you, I do

I love you, I love you, I do
I love you, I love you, I do
