

I'm Ashamed To Tell

The Cats

I'm ashamed to tell;
I'm very, very ashamed to tell
That my weakness is you.
You're whispering to me
Some lovely words so tenderly;

I know that I've lost my head.
Squeeze me, hug me, play me angel, I don't care -
I know I've lost my pride.
Anything you want me, I will do for you:
No love can be stronger than mine.
Don't try to know how far my love for you can go -
I don't know the end by myself.

Oooh - oooh - oooh - ooooh;
Aaah - aaah - aaah - aaah.

(Instrumental break)

Squeeze me, hug me, play me angel, I don't care -
I know I've lost my pride.
Anything you want me, I will do for you:
No love can be stronger than mine.
Don't try to know how far my love for you can go -
I don't know the end by myself;
I don't know the end by myself;
I don't know the end by myself.
