

In My Room

The Cats

In My Room There Is Heartache
In My Room There Is Heartache
In My Room There Is Sorrow
In My Room There's No Happiness, Only Pain
Lots Of Pain, From A Broken Heart

In My Room There Are Shadows
And On My Wall There's A Candle
In My Room There's A Candle
That Stands For All Our Love That Is Dead
Oh Dead And No More

No You Don't Know Me Anymore
Not Like You Did The Day Before
I Think About The Fun We Had Together
Go To Church, Feed The Pigeons
Come Back Home And Dream About You
And Wake Up But Now Without You Baby
