

Money-Maker

The Cats

Money-maker dream-maker That`s what you are to me You want it all
You want it all In your grey suits and bow ties Your black limousin
You`ve got it all, yeah you`ve got it all You`ve got it all

But you can`t have it all for nothing Can you So you do what they want
you to do You gave up all of your privacy You`re a member of the high society
Now you`re a star Yeah you made it far, money-maker You`re such a famous star

And you`re a trouble-maker A heart-breaker For all the world to see
You`ve done it all You`ve done it all With your big smile and smart talk
You`re golden eye teeth You`ve got it all, oh yeah you`ve got it all
You`ve got it all

But you can`t have it all for nothing Can you So you sell your body
and your soul To the highest bidder around You show up all the parties in town
With some girl You`re on the top of the world, heart-breaker For all the pretty girls,
dream-maker Yeah you made it far, money-maker You`re such a famous star

You`re just a famous star
