

My Friend Joe

The Cats

Hey Pretty Baby Tell Me What Have You Done Last Night Where Have You Been I'd Like To Know Somebody Told Me They Saw You Out Last Night Drinking Your Beers With My Friend Joe There's No Use In Lying When You've Got Nothing To Hide There's No Use In Denying I've Waited All Night Long I Tried To Call You On The Phone

Hey Pretty Baby Tell Me Who Takes You Home Tonight Will It Be Me Or My Friend Joe I'd Like To Tell You Before You Say Goodbye Something I Just Want You To Know There's No Reason For Crying Cause You've Got Nothing To Lose You Only Make Me Feel Like Dying I'm Staying All Alone Just Losing You And My Friend Joe

There's No Use In Lying When You've Got Nothing To Hide There's No Use In Denying I've Waited All Night Long I Tried To Call You On The Phone
