

The Dream Is Over

The Cats

I got you on my mind Most all of the time Wishin` I could be there with you And in my mind`s eye I see us walkin` close together Like young lovers use to do

And when the nights come

You rule my dreams Like a queen sittin` on her throne Out of reach And at the break of day I wake up all alone

All of a sudden It`s gone The magic has disappeared All of a sudden it`s gone Here comes what I most fear The dream is over The dream is over It`s over It`s over

Now I`ve often tried To catch you with my eyes But something` deep inside of me knows That`s its impossible The more I tried The distance grows and grows

All of a sudden it`s gone The magic has disappeared All of a sudden it`s gone Here comes what I most fear The dream is over The dream is over It`s over it`s over
